

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF ARKANSAS  
FORT SMITH DIVISION

SHAUN JERMAINE ESTES

PLAINTIFF

v.

No. 2:20-CV-2091

KEVIN BOLIN, SCOTT NEWTON,  
and KEITH SHELBY

DEFENDANTS

**OPINION AND ORDER**

Before the Court are Defendants' motion (Doc. 22) to compel and brief in support (Doc. 23). Plaintiff did not file a response. Defendants assert, and the Court agrees, that Plaintiff's responses to Defendants' first set of interrogatories were deficient. Plaintiff's objections to Defendants' discovery requests are without merit because Defendants' requests are relevant to Plaintiff's claims and Defendants' defenses. Plaintiff has also not responded to Defendants' requests for initial disclosures. Defendants' exhibits demonstrate that they have attempted to confer in good faith with Plaintiff according to Fed. R. Civ. P. 37(a) to obtain discovery without the necessity of court action. Plaintiff chose to proceed in this Court and is reminded that he is bound by the same Rules and expectations as parties represented by counsel. Failure to meet obligations under the Rules may result in sanctions, up to and including dismissal.

IT IS THEREFORE ORDERED that Defendants' motion (Doc. 22) to compel is GRANTED. Plaintiff is instructed to respond to Defendants' discovery requests and provide initial disclosures without objection by March 1, 2021, or the case will be dismissed.

IT IS SO ORDERED this 17th day of February, 2021.
